

OPERA STAR TO BE NUMBER ON LYCEUM COURSE

Amos Grotto Will Present Margaret Matzenauer at Augustana Tuesday, Dec. 9.

Amos Grotto announces another musical treat for the people of the tri-cities for Tuesday evening, Dec. 9, at the Augustana college gymnasium, where it will present Margaret Matzenauer of the Metropolitan Opera company, contralto, and Max Rosen, the famous violinist. Madame Matzenauer has for several seasons been connected with the Metropolitan Opera company, and has been acclaimed as a vocalist of rare talent, while Rosen, the 15-year old violinist, has been placed by many in the same class as Heffets and Elman.

Madame Schumann-Heink who was forced to cancel an engagement here recently, will be heard Wednesday evening, Nov. 24, at the Augustana gymnasium. About 80

tickets for this concert which were redeemed following the postponement of the date, are now available. No tickets will be redeemed after Nov. 20.

It became known today that one of the largest office buildings in the downtown district has been using crude oil for fuel for a week and the

Mrs. M. Lading, 126 Beacon avenue, Jersey City, N. J., writes: "I find the Mentho-Laxene just fine and would not be without it. It has been in our home for three years and I hope your Free Health Book is as good as the Mentho-Laxene, etc."

With very little advertising, hundreds of thousands of bottles of Mentho-Laxene are sold every year by druggists, and each year the sales grow larger. Get a 2½-ounce bottle concentrated, and mix with simple syrup to make a full pint. Directions and guarantee of satisfaction are with each bottle. A pint lasts a long time for the whole family. It is cheaper and better than ready-prepared medicine, but easy to mix.—(Adv.)

manager is highly satisfied with the experiment. Cudahy & Co. and several other stockyards firms, it is said, have been experimenting with the use of oil as fuel and may adopt it if the coal shortage grows more acute.
